3. **Quick review of Charter Renewal Process and WAC Meeting** (Taylor)

McKinsey asked about what the charter renewal process would look like if we were given another year. Joe Taylor discussed the two options and explained the possible outcomes. Some parents expressed frustration at the lack of information provided regarding the DPS plan should the board vote for non-renewal of Wyatt's charter. It was shared that several parents asked to which schools they would be sending our students and how they would transport our students if we were non-renewed, to which there was a non-specific answer provided.

4. **Review Tiered Quality Assurance Report from DPS Portfolio Management**

Joe Taylor presented the findings from the Portfolio Management site visit for the CSC. He explained that there was a response and rebuttal to several of the findings submitted in writing to the district.

5. **Preliminary report to go to DPS Board**

Joe Taylor will be emailing a report from a consultant that will outline Wyatt's case for charter renewal, in comparison to similar schools, not including PARCC data, which has not yet been released.

6. DPS Board Meeting strategies

There will be 4 speakers, Rodney Bates, a parent/Board member, Deana Romero, a Wyatt staff member and a student. A suggestion was made to add additional names to the list of speakers as supports,

7. School's plan to move forward with renewal regardless of PARCC

Joe Taylor shared the school's plan to continue the charter renewal process, including an appeal to the State Board of Education.

8. Suggestion of emailing superintendent/board members in future

A table will be set up in the Great Hall to provide support to Wyatt families to aid them in contacting School Board members in support of Wyatt.

Suggestions were made for incentives to get parents involved: classroom contest, DOJO point contest, raffle, parent teacher administrator contact during arrival and dismissal, backpack drop, uniform giveaway, Thanksgiving Turkey/Meal giveaway, We also will plan a Gratitude /Parent Appreciation Night for 100% participation, an incentive could be given to the scholar with the most letters written for his/her family- per grade level.
